

RITAM JASH

Computer Science Undergraduate
Kolkata, West Bengal, India | +91 8537002003 | jashritam@gmail.com

Aim

Computer Science and Engineering undergraduate student seeking an opportunity to apply and contribute my technical knowledge in real-world projects.

EDUCATION

DEGREE	INSTITUTE	CGPA/PERCENTAGE
B.TECH. CSE (2027)	St. Thomas' College of Engineering & Technology, Kolkata	8.33 (Pursuing)
CBSE XII (2023)	Hem Sheela Model School, Durgapur	88
ICSE X (2021)	St. Peters' School, Durgapur	92.5

PROJECTS

PharmaSense — Pharma Sales Analytics & AI Assistant

2026

- Designed a normalized SQLite database (5 relational tables, foreign-key joins) modeling pharma sales reps, healthcare providers, territories, and transactions.
- Built an interactive analytics dashboard in Python/Streamlit with Plotly visualizations, dynamic filtering, and CSV export.
- Implemented a natural-language-to-SQL feature using the Google Gemini API, allowing users to query sales data in plain English with generated SQL shown for transparency.

TECHNICAL SKILLS

- Programming Languages:** Python, Java, C, HTML
- Databases:** SQL
- Tools & Developer Software:** Git, Visual Studio Code, Microsoft Excel, PowerPoint, Word
- CS Fundamentals:** Object-Oriented Programming, Data Structures & Algorithms, Software Architecture

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

Data Structures and Algorithms using Java

2025

National Programme on Technology Enhanced Learning (NPTEL), IIT Kharagpur

- Completed a 12-week advanced technical curriculum; awarded Elite certification

Python for Beginners

April 2024

Simplilearn SkillUP

- Covered foundational object-oriented principles, syntax structures, and core programming paradigms in Python

LEADERSHIP & CO-CURRICULAR ACTIVITIES

Hem Sheela Model School Sports Club

Durgapur, India

Volleyball Team Captain & Sports Coordinator

June 2022 – June 2023

- Captained the class volleyball team to the runner-up position in the inter-class championship.
